5. PUBLIC COMMENT:

There were no members from the public present.

6. OLD BUSINESS:

A. Ability Fair – Discussions:

The discussion continued on combining the two (2) annual events – the Ability Fair and the Senior Expo into one. It was felt that the low turnout was a combination of the economy, other community events on the same date, communication and advertising.

Mrs. Brown explained that some of the same vendors attend both events so we would not lose our vendors if they were combined. The members wanted to know how many vendors crossed over from the Ability Fair to the Senior Expo and she responded 20 out of the 45 vendors. She told them that the Ability Fair had 40 vendors in 2012 and the Senior Expo had 45 vendors in 2011. The members wanted to make sure that the specialized vendors who attended the Ability Fair would be there when the event became one and the name got revised. Miss Denizac wanted to make sure that there was adequate wording to let the public know that the combined event did include the Ability Fair. Mrs. Brown indicated that the information would be on the flyer. Miss Denizac also mentioned spacing and was told that some vendors would go to the second floor as had been done in the past so the chambers would not be over-crowded.

The members talked about moving the event to May or June as other Parks events would be over (Eggstravaganza and the Volunteer Luncheon) and March was such a busy community time in the surrounding cities. There was discussion about the 1st weekend in May, before Mother's Day. There was also a discussion for June but it was mentioned that June could be hectic with school and college graduations and Father's Day. It was decided that the first weekend in May would be good. This will be discussed with the other boards in June.

There was discussion about contacting prospective sponsors beginning in October as most companies have their quotas filled for the next year by the end of the current year. Miss Denizac reminded staff to contact Toys R Us. She was asked to provide the contact information she had for them.

Motion by Tom Dockery, seconded by Patsy Dockery that we have a joint venture combining both events into one fair.

Motion carried with members voting as follows: Yaitza Denizac, For; Micky Beauregard, For; Thomas Dockery, For; Patsy Dockery, For; Sandy Primack, For; and Joy Primack, For.

Motion by Tom Dockery, seconded by Sandy Primack that this board invite representatives from each of the other Parks boards to the next meeting on June 21st.

Motion carried with members voting as follows: Yaitza Denizac, For; Micky Beauregard, For; Thomas Dockery, For; Patsy Dockery, For; Sandy Primack, For; and Joy Primack, For.

1 **7. NEW BUSINESS:**

2
3 **A. ADA Transition Plan:**

4
5 Mr. Moore told the committee that Julie Shaw from Disability Solutions had met with the City
6 Manager and himself and said that the March 15th deadline date had been moved. He added that he
7 would bring it up with the City Manager.

8
9 Mr. Moore stated that this committee could offer its assistance on issues that are not compliant. He
10 said they may see things that need to be done, for example, curb cuts and access to our buildings. He
11 said a committee would need to be formed. He added that the ADA Transition Plan is important and
12 said that things that take time are worth working on.

13
14 He went on to explain that the Volusia County Sheriff Department had tasked the Citizen Observer
15 Program (COP) with going to places like Wal Mart to ticket vehicles that were improperly parked in
16 the handicap spaces. He said the Wal Mart parking lot is a big offender. He said this committee can
17 come up with some ideas that can be brought to the attention of the Volusia County Sheriff
18 Department. He told the committee they are not qualified to write tickets but we could put all our
19 resources together. Mrs. Dockery stated that Publix is another place where people violate the
20 handicap parking spaces. She said they also have a problem with motorcycles.

21
22 The members felt that it would be good to get information out to the public, even if it meant leaving
23 information on their car. Mr. Moore said he would meet with Captain Brannon.

24
25 Miss Denizac said it would be nice if photo identifications were placed on the placards when they
26 were issued.
